

U7-U16 Underage Player Application

2026 - 2027 Season

Niagara Falls Minor Hockey Association

A \$200.00 fee, paid by credit card or debit must accompany this completed application form. Please submit to the Niagara Falls Minor Hockey Association Business Office.

The \$200.00 application fee is non-refundable, except in the case wherein a five year old is trying out for U7, the application fee will be applied to their Initiation Program registration fee if unsuccessful.

If successful, the \$200.00 application fee will be applied to the child's registration.

All applicants must register and provide payment for try outs for the current season.

Please be advised that application for Underage Status does not constitute acceptance.

In order to qualify as an underage player the player must possess the following:

- 1) Must be ranked #1 in their own age group and one of the top 3 players in the age group in which they are trying out for, regardless of position;
- 2) Goalies must be rated #1 at the higher age group

While every child has the right to try out as an underage player, if the Evaluation Committee feels in any way that a player is at risk for injury, said player will not be permitted to try out a level up. If the player's past two seasons at their birth year is not at the same level with the rep team in which they wish to try out for as an underage player, the Evaluation Committee has the right to decline the request.

All underage players trying out will be assessed by the Evaluation Committee. The Evaluation Committee will determine whether the player will be permitted to play for the team in which they have applied for as an underage player. The report filed by the Evaluation Committee is final.
